

Fabricator

Role Definition

Reports to:	TBA
Hours of Work	08:00 – 17:00 (Lunch 45 minutes)
Location	Tuthill Porsche Workshop, Wardington

An exciting position has become available at Tuthill Porsche. With our new state-of-the-art building now complete, we are looking for a fabricator to satisfy an ever-increasing demand to build, restore and maintain Porsches from all generations.

About Tuthill Porsche:

Based in Oxfordshire, supported by renowned international brands and synonymous with the world's most successful historic Porsche rally cars, Tuthill Porsche also builds winning Porsche race cars, bespoke road cars and restores classic Porsches.

Operating from a brand new workshop and supporting an ever-increasing client base, all aspects of Porsche rebuilding are carried out in-house, from engine and transmission builds to rust repair, metal fabrication, roll cage installation and full body & paint.

Fabricator: Main Responsibilities

- Must be able to carry out rust repairs to an excellent standard
- Repair and up spec body shells to the highest level
- Carry out crash repairs
- Be familiar with jiggging and straightening body shells
- Fully fabricate and weld components from drawings
- Fabricate and weld one off components
- TIG weld sub-assemblies for shell build programme
- Being responsible for ensuring work is carried out to a high standard of quality
- Adhere to a high level of personal presentation
- Maintain the workshop in a clean and professional way

- All plant and equipment is maintained correctly, any defects reported
- Be familiar with and work to the company's health and safety standards
- Advise and report on any issues relating to health and safety
- To comply with all company policies and procedures
- Support other departments when required

Skills Required

- Candidates must also be skilled in car restoration and metal fabrication
- Be fully competent in the use of MIG, TIG welding techniques
- Be able to panel fit full body shells
- Be able to communicate effectively and resolve problems quickly and efficiently
- Excellent communication, organisation and inter-personal skills

Personal Specification

- Must have good attention to detail
- Energetic, proactive, calm under pressure, highly personable, and mature personality
- Strong team-worker: ability to thrive in a small, closely-knit, and dedicated group
- Be able to carry out tasks with minimal supervision
- Flexible: prepared to work longer hours when occasionally required

Experience Required

- Past experience in working within an automotive bodyshop is essential

Education and Qualifications Required

- Full driving licence (essential)
- Personal references will be taken up separately

This role represents a remarkable opportunity to join a respected business in a position that will directly support and enable its future success.

Interested applicants should submit their CV and a covering letter, including current salary details, to andrew@tuthillporsche.com
